National Marina Day

Beach & Marina Clean-Up

Saturday – June 12th 2010

9:00am to Noon

McCausland Hall @ the Westport Maritime Museum

VOLUNTEERS NEEDED

*** PRIZES * HOT DOGS * CHIPS ***

We are celebrating National Marina Day, which has the mission to “promote the role marinas play as family-friendly gateways to boating, and celebrates the marina personnel who act as stewards of the environment. On National Marina Day, marinas around the country open their doors to their community as a means of introducing them to the fun and benefits of boating and the marina lifestyle”.

In addition, we will be sponsoring a clean up event. Volunteers are needed to help collect litter and debris from the area beaches. Bags will be provided. Please help us reach our goal of removing over 1000 pounds of garbage from the beaches around Westport.

Clean Up Volunteers will receive a “pass” which they can turn in at the Museum to a MRC member to be entered into a drawing for prizes.

Starting around noon, we will be serving Hot dogs, chips, soda, apples and oranges at the Museum.
